Re: 2024 Carol Stream Rotary Club Chili Open Sponsorship

Dear Dan:

Thank you for your support for the 35th Annual Carol Stream Rotary Club Chili Open. The event is fully back to normal and overbooked with golfers. Miraculously, the rain held off from 10:00 a.m. to 4:30 p.m., so all the golfers completed the course. The final putt off was held indoors in the banquet room, which was fun. Your company had good exposure to a large number of solid community people and local businesses.

We are in the process of collecting pledged funds and will have raised the most ever, over \$34,000.00, net. Local business sponsors, such as yourself, were very, very generous this year, and we greatly appreciate it. With the funds generated by the Chili Open, we will be able to give generously to a number of good local causes, especially K-9's for Vets to help veterans with PTSD, and Neighborhood Food Pantries, to help combat food insecurity.

Excess funds generated by the event will also be used throughout the year to provide needed support to many other programs in the area, helping seniors, youth, the sick and the needy. Your support and support from other community-minded people have enabled the Carol Stream Rotary Club to give back over \$750,000.00 to our community in the past. This has been done without a lot of fanfare or publicity. I am proud to be part of this effort and you should be, too. We couldn't do this without your help.

Enclosed please find a program from the event.

Thank you again for your assistance and support.

Very truly yours,
